1. Colonel Roamer, Director of Intelligence, ASF, has obtained authorization for seven (7) technical intelligence officers to be assigned to Pacific MIRS. He apparently obtained this authorization officially; that is, by direction of Lieutenant General Somervell and has instructed the Technical Intelligence Services to submit the name of a suitable officer for this work. In the very near future all seven (7) technical intelligence services will be represented at Camp Ritchie, Md., at Pacific MIRS.

2. This is a great step forward and at the first convenient opportunity, the Chief, MIS, should thank the Director of Intelligence, ASF, for his prompt cooperation.
